- To be excelled in reading skills **News Daily News** paper reading sessions have been conducting in the class rooms
- To improve their writing skills assignments have been giving by the subject in charges. Kailash Women's College especially focussing on letter writing skills of our students. To develop the letter writing skills **Many letter writing orientation programmes like The Art of Letter Writing** were conducted
- In order to improve our Student's Speaking Skills **Public Speaking** sessions have been conducting in our college

## Evidence of Success

- **Daily Quiz** posts have been posting in daily manner to improve our student's general knowledge skills. Daily Quiz covers the facts related to culture, society, civilization, the human body, the animal kingdom, space, automobiles, cuisine, communities, countries, languages, current affairs, and so on are all considered general knowledge. Good general knowledge is helpful to students as it is an important part of interviews, competitive exams, and group discussions
- **Professional Skill development** is one of the major traits of Kailash Women's College. To develop our student's professional skills many **Internal and External Soft Skills** training programmes were provided. The program is designed to provide students with the necessary skills and knowledge required for their career development. The program includes a range of training sessions that focus on developing skills such as communication, problem-solving, decision making, leadership, teamwork, and technical skills. The training sessions are conducted by experts in the respective fields, and the students are provided with hands-on experience in using the latest tools and technologies
